OVERLORD!

You are Avenger, a Ninja warrior trained in the Way of the Tiger, an outstanding master of the martial arts.

After a mighty conflict you have overthrown the evil Usurper — self-appointed King of Irsmuncast. Now you must rule in his place and bring wise government to the strife-torn city of Irsmuncast. This will be your greatest challenge yet.

The Way of the Tiger projects role-playing adventures into the future. Using the innovative combat system, you choose the martial arts moves with which to defeat your opponents. To triumph you will need to use to the full the skills of the Ninja, your craft as a statesman and the knowledge you acquire in the course of the action.

Are you ready for the Way of the Tiger?
